The map displays the ACOUPHEN ENVIRONNEMENT project area. It includes a scale bar (0-500m) and a north arrow. The map is overlaid with a grid of numbered cells (1-63) for noise impact assessment. The grid is composed of several blocks: a 3x3 block at the top right (cells 38-56), a 4x4 block below it (cells 27-54), a 4x4 block to the left (cells 24-43), a 4x4 block below that (cells 23-52), a 4x4 block to the left of that (cells 12-41), a 4x4 block below that (cells 11-51), a 4x4 block to the left of that (cells 10-40), a 4x4 block below that (cells 9-50), a 4x4 block to the left of that (cells 8-49), a 4x4 block below that (cells 7-48), and a 4x4 block to the left of that (cells 6-47). The cells are numbered 1 through 63, with some cells being empty (e.g., 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 25, 26, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63). The map also shows various infrastructure elements like roads, railways, and buildings, and natural features like water bodies.
