

Parcelle A 367 · Pérourges (01290) · 348 m² au cadastre

A detailed topographic map of the Perouges area. The map shows various geographical features such as hills, valleys, and rivers. Key locations labeled include la Buissière, le Porriet, Corbet, les Liottes, Liaudon, le Colombier, la Glaye (marked with a red circle), Mas Rivet, Mengeat, la Pierrière, PEROUGES, la Cité, le Peage, la Cîtedelle, Crével, Mas Grebon, Meximieux, Maisons Neuves, les Verrières, les Granges, le Cotance, and Mont Chabot. A scale bar at the bottom left indicates a distance of 1 km. A north arrow is located in the top right corner. The map uses contour lines to represent elevation and different colors to distinguish between land types like forests and urban areas.
