Le Maire
Jean-Marc GRUNFELDER

The map displays the urban planning for Sillegny, France, at a scale of 1/5000. It shows the commune's boundary in red, with various urban zones labeled: 'A' (agricultural), 'N' (natural), 'Aa' (agricultural with specific constraints), 'Ua' (urban with specific constraints), 'Ue' (urban with specific constraints), 'Nj' (natural with specific constraints), 'Ue' (urban with specific constraints), 'Nl' (natural with specific constraints), 'Ah' (agricultural with specific constraints), and 'Uc' (urban with specific constraints). The map also shows the 'Rue de la Lobe à Bodelshausen' and the 'Rue de la Lobe à Bodelshausen'. A grey shaded area indicates a 'Zone à risques' (risk zone) for flooding and gas pipeline. A green star marks a '★ Elément remarquable du paysage' (remarkable landscape element). The map is divided into numerous numbered plots, and a north arrow is present in the top right corner.
